Nubs: The True Story of a Mutt, a Marine & a Miracle By Brian Dennis, Mary Nethery, Kirby Larson

Nubs, an Iraqi dog of war, never had a home or a person of his own. He was the leader of a pack of wild dogs living off the land and barely surviving. But Nubs's life changed when he met Marine Major Brian Dennis. The two formed a fast friendship, made stronger by Dennis's willingness to share his meals, offer a warm place to sleep, and give Nubs the kind of care and attention he had never received before. Nubs became part of Dennis's human "pack" until duty required the Marines to relocate a full 70 miles away--without him. Nubs had no way of knowing that Marines were not allowed to have pets.

So began an incredible journey that would take Nubs through a freezing desert, filled with danger to find his friend and would lead Dennis on a mission that would touch the hearts of people all over the world.

Nubs and Dennis will remind readers that friendship has the power to cross deserts, continents, and even species.

Editorial Review

From School Library Journal

Grade 2–5—A true story of a feral dog from Iraq that found a home in the United States. In October 2007, Border Transition Team 3/5/2 arrived at the border of Iraq and Syria. The team members were greeted by a pack of wild dogs, whose leader became known as "Nubs" because of his docked ears. He developed a bond with Dennis, and as the troops would come and go over the course of several weeks, they were always greeted by the dogs. Nubs exhibited signs of malnutrition and abuse yet he continued to seek food and companionship from the Marines, often trying to follow them when they'd leave. In December 2007, when they relocated to the Jordanian border, 70 miles away, he embarked on a treacherous journey across the desert and, two days later, walked into the camp. Because Marine regulations prohibit the keeping of pets in a war zone, Major Dennis and his men collected donations and arranged to send Nubs to the United States. He was eventually reunited with the dog in 2008. The narrative, which sometimes lacks clarity, includes a substantial amount of original documentation—photos taken by members of the 3/5/2, emails from Dennis to his friends in San Diego, and copies of the State Department "passport" allowing Nubs to travel. This is a feel-good entry in the current trend of inspirational true animal stories.—*Kara Schaff Dean, Walpole Public Library, MA*
