“It is time to finish retreating. Not one step back! Such should now be our main slogan.” – Joseph Stalin

A lot of ink has been spilled covering the lives of history’s most influential figures, but how much of the forest is lost for the trees? In Charles River Editors’ Russian Legends series, readers can get caught up to speed on the lives of Russia's most important men and women in the time it takes to finish a commute, while learning interesting facts long forgotten or never known.

If Adolf Hitler had not inflicted the devastation of World War II upon Europe, it’s quite likely that the West would consider Joseph Stalin (1878-1953) the 20th century’s greatest tyrant. A Bolshevik revolutionary who played a crucial role in the Russian Revolution of 1917 and the establishment of the Soviet Union, Stalin was one of the Communist regime’s earliest leaders and went about consolidating power after the death of Vladimir Lenin, whose final wishes were that Stalin be removed from his post as General Secretary of the Communist Party and not be given the ability to take power.

Of course, Stalin managed to do just that, modernizing the Soviet Union at a breakneck pace on the backs of millions of poor laborers and prisoners. Before World War II, Stalin consolidated his position by frequently purging party leaders (most famously Leon Trotsky) and Red Army leaders, executing hundreds of thousands of people at the least. In one of history’s greatest textbook examples of the idea that the enemy of my enemy is my friend, Stalin’s Soviet Union allied with Britain and the United States to defeat Hitler in Europe, with the worst of the war’s carnage coming on the eastern front during Germany’s invasion of Russia. Nevertheless, the victory in World War II established the Soviet Union as of the world’s two superpowers for nearly 50 years, in addition to being the West’s Cold War adversary.

By the time Stalin died in 1953, it was written that he “had found Russia working with wooden ploughs and [is] leaving it equipped with atomic piles.” Of course, he was reviled in the West, where it was written, “The names of Lenin, Stalin, and Hitler will forever be linked to the tragic course of European history in the first half of the twentieth century.” Russian Legends: The Life and Legacy of Joseph Stalin explores Stalin’s life and work before the Bolshevik Revolution, as well as the crucial role he played in establishing the Soviet Union and turning it into a modern superpower. Along with pictures of important people, places, and events, you will learn about Stalin like you never have before, in no time at all.

Users Review

From reader reviews:

William Coker:

With other case, little persons like to read book Russian Legends: The Life and Legacy of Joseph Stalin. You can choose the best book if you love reading a book. Given that we know about how is important the book Russian Legends: The Life and Legacy of Joseph Stalin. You can add expertise and of course you can around the world by a book. Absolutely right, mainly because from book you can recognize everything! From your country till foreign or abroad you will find yourself known. About simple point until wonderful thing you may know that. In this era, we can open a book or searching by internet product. It is called e-book. You can use it when you feel fed up to go to the library. Let's study.

Jenni Roberts:

Now a day people that Living in the era wherever everything reachable by connect to the internet and the resources inside it can be true or not require people to be aware of each information they get. How individuals to be smart in getting any information nowadays? Of course the solution is reading a book. Studying a book can help folks out of this uncertainty Information specially this Russian Legends: The Life and Legacy of Joseph Stalin book since this book offers you rich data and knowledge. Of course the data in this book hundred pct guarantees there is no doubt in it you probably know this.

Penny Laughlin:

Playing with family inside a park, coming to see the sea world or hanging out with pals is thing that usually you may have done when you have spare time, in that case why you don't try matter that really opposite from that. One particular activity that make you not experience tired but still relaxing, trilling like on roller coaster you are ride on and with addition of knowledge. Even you love Russian Legends: The Life and Legacy of Joseph Stalin, you are able to enjoy both. It is great combination right, you still want to miss it? What kind of hang type is it? Oh occur its mind hangout folks. What? Still don't have it, oh come on its referred to as reading friends.

Johnny Hoffman:

As a college student exactly feel bored to help reading. If their teacher requested them to go to the library or to make summary for some reserve, they are complained. Just very little students that has reading's spirit or real their interest. They just do what the trainer want, like asked to go to the library. They go to generally there but nothing reading very seriously. Any students feel that examining is not important, boring and also

can't see colorful photographs on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this era, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. So , this Russian Legends: The Life and Legacy of Joseph Stalin can make you feel more interested to read.
