Secret Naples By Valerio Ceva Grimaldi, Maria Franchini

A mummified lizard, Borromini's only work in Naples, vestiges of a former brothel, a hole in the wall that relieves headaches, an art gallery in a bunker, a rare customised Vespa from the Second World War, remarkable undiscovered private collections, a score in Aramaic script on a church façade, extraordinary ancient libraries unknown to Neapolitans ...

Far from the crowds and the usual clichés, these are just some of the well-hidden treasures only revealed to those who venture off the beaten track, residents and visitors alike.

An indispensable guide for those who thought they knew Naples well, or who would like to discover the hidden face of the city.

Editorial Review

Users Review

From reader reviews:

Lorri Nicholson:

What do you with regards to book? It is not important along with you? Or just adding material when you need something to explain what yours problem? How about your spare time? Or are you busy person? If you don't have spare time to perform others business, it is gives you the sense of being bored faster. And you have spare time? What did you do? Every individual has many questions above. They must answer that question since just their can do this. It said that about guide. Book is familiar on every person. Yes, it is proper. Because start from on pre-school until university need this specific Secret Naples to read.

Clyde Miller:

Spent a free time and energy to be fun activity to do! A lot of people spent their spare time with their family, or their particular friends. Usually they doing activity like watching television, going to beach, or picnic in the park. They actually doing same every week. Do you feel it? Do you wish to something different to fill your personal free time/ holiday? Can be reading a book is usually option to fill your cost-free time/ holiday. The first thing that you will ask may be what kinds of guide that you should read. If you want to try look for book, may be the guide untitled Secret Naples can be great book to read. May be it could be best activity to you.

Matthew Simons:

Exactly why? Because this Secret Naples is an unordinary book that the inside of the publication waiting for you to snap that but latter it will surprise you with the secret the item inside. Reading this book alongside it was fantastic author who all write the book in such amazing way makes the content interior easier to understand, entertaining technique but still convey the meaning fully. So , it is good for you because of not hesitating having this any more or you going to regret it. This amazing book will give you a lot of advantages than the other book possess such as help improving your expertise and your critical thinking technique. So , still want to hold off having that book? If I were being you I will go to the e-book store hurriedly.

Steve Pinson:

Reading a book to become new life style in this yr; every people loves to examine a book. When you study a book you can get a lot of benefit. When you read textbooks, you can improve your knowledge, since book has a lot of information onto it. The information that you will get depend on what forms of book that you have read. If you want to get information about your review, you can read education books, but if you act like you want to entertain yourself read a fiction books, this sort of us novel, comics, along with soon. The

Secret Naples provide you with a new experience in reading through a book.
