The Apothecary Rose: The Owen Archer Series - Book One By Candace Robb

"Suspenseful, historically accurate, and blessed with a wonderful cast of characters, THE APOTHECARY ROSE is an absolute delight from start to finish..." ? Charles de Lint, author of the Newford Series

In the year of our Lord 1363, two suspicious deaths in the infirmary of St. Mary's Abbey catch the attention of the powerful John Thoresby, Lord Chancellor of England and Archbishop of York. One victim is a pilgrim, while the second is Thoresby's ne'er-do-well ward, both apparently poisoned by a physic supplied by Master Apothecary Nicholas Wilton. In the wake of these deaths, the archbishop dispatches one-eyed spy Owen Archer to York to find the murderer. Under the guise of a disillusioned soldier keen to make a fresh start, Owen insinuates himself into Wilton's apothecary as an apprentice. But he finds Wilton bedridden, with the shop being run by his lovely, enigmatic young wife, Lucie. As Owen unravels a tangled history of scandal and tragedy, he discovers at its center a desperate, forbidden love twisted over time into obsession. And the woman he has come to love is his prime suspect.

Lovingly detailed, beautifully written, THE APOTHECARY ROSE is a captivating and suspenseful tale of life, love, and death in medieval England.

Editorial Review

Review

"Ellis Peters has a cohort of pretenders snapping at her heels ... most impressive of the bunch is Candace Robb" Time Out "Enthralling and evocative ... Candace Robb recreates medieval York with ease" Yorkshire Evening Press "Authentic characters, and a credible plot...Essential for historical fans" Library Journal "A wonderful new voice...Suspenseful, historically accurate...with a wonderful cast of characters" -- Charles de Lint, author of 'Dreams under Foot'

About the Author

Candace Robb has read and researched medieval history for many years, having studied for a Ph.D in Medieval and Anglo-Saxon Literature. She is the author of nine Owen Archer novels and three Margaret Kerr Mysteries.

From [AudioFile](#)

The easiest way to characterize these mystery stories set in medieval England is to note their similarity in content and tone to Ellis Peters' Brother Cadfael series. For audiobook listeners, the resemblance is heightened by the fact that Stephen Thorne has recorded several of the Cadfael novels. Thorne is a seasoned professional, secure in his craft and an effortless pleasure to listen to. His reading has complete conviction, yet it never loses touch with the fact that this is entertainment, not high art. But the recording is very good stuff of its kind: an amiable companion to the commuter or jogger. J.N. © AudioFile 2002, Portland, Maine--
