## The Transition to College Writing By Keith Hjortshoj

This brief rhetoric introduces the essential reading and writing strategies students need to succeed in courses across the curriculum. Taking the transition from high school to college as his starting point, Hjortshoj speaks directly and honestly to students, offering them practical strategies to shed ineffective habits and move toward a more mature, flexible understanding of how to respond to academic challenges. Distilling information about writing assignments from across the curriculum, Hjortshoj shows students how to decode these assignments and approach them effectively.

The second edition offers more advice on how to meet the difficult challenge of synthesizing and integrating sources, and the text has been streamlined to be a better reference.
