The Way of Torah: An Introduction to Judaism (Religious Life in History Series) By Jacob Neusner

This classic text from one of the leading Judaic scholars today, THE WAY OF THE TORAH introduces students to Judaism via a three-pronged examination of its history, its scriptures, and its practices. Neusner first defines Judaism across time, showing its changes and development. He then introduces students to the classic texts of Judaism, the Hebrew Bible, and beyond. Finally, the Torah and Judaism are presented in their living contexts. It is the only interpretive work that addresses Judaism within the context of religious studies in general as opposed to the many other texts that use an historical or scriptural approach exclusively.

Editorial Review

Review

"Jacob Neusner is the Research Professor of Religion and Theology and Senior Fellow of the Institute of Advanced Theology at Bard College. Having published more than 900 books and innumerable articles he is the most published humanities scholar in the world. He has been awarded nine honorary degrees, including seven US and European honorary doctorates. He holds fourteen academic medals and prizes, as well as numerous other academic awards. He received his A. B. from Harvard College, his Ph. D. from Columbia University and Union Theological Seminary, and Rabbinical Ordination and the degree of Master of Hebrew Letters from the Jewish Theological Seminary of America. In his professional career he was founding chairman of the Department of Hebrew Studies at University of Wisconsin-Milwaukee, held a post-doctoral fellowship at Brandeis University, and taught at Dartmouth College and at Brown University. He spent a research year at the Institute for Advanced Study, Princeton NJ, and served as Distinguished Research Professor of Religious Studies at University of South Florida. He was President of the American Academy of Religion, and a member of the founding committee of the Association for Jewish Studies. He single-handedly founded the European Association of Jewish Studies. He also served, by appointment of President Carter, as Member of the National Council on the Humanities and, by appointment of President Reagan, as Member of the National Council on the Arts. He is editor of the Encyclopaedia of Judaism (Brill, 1999. I-III) and its Supplements; chairman of the Editorial Board of The Review of Rabbinic Judaism, and Editor in Chief of the Brill Reference Library of Judaism, both of them published by E. J. Brill, Leiden, The Netherlands. He is editor of Studies in Judaism, University Press of America. He was editor for Judaism of the Dictionary of Religion (Harper/AAR), and of the Encyclopaedia of Religion (Britannica/Merriam Webster)."

Users Review

From reader reviews:

Frances Sitz:

In other case, little folks like to read book *The Way of Torah: An Introduction to Judaism (Religious Life in History Series)*. You can choose the best book if you love reading a book. As long as we know about how is important any book *The Way of Torah: An Introduction to Judaism (Religious Life in History Series)*. You can add know-how and of course you can around the world by way of a book. Absolutely right, due to the fact from book you can understand everything! From your country until finally foreign or abroad you will end up known. About simple point until wonderful thing it is possible to know that. In this era, we can open a book or even searching by internet system. It is called e-book. You need to use it when you feel bored stiff to go to the library. Let's examine.

Vincent Humphreys:

Do you have something that you prefer such as book? The publication lovers usually prefer to select book like comic, small story and the biggest an example may be novel. Now, why not attempting *The Way of Torah: An Introduction to Judaism (Religious Life in History Series)* that give your fun preference will be satisfied by reading this book. Reading addiction all over the world can be said as the opportunity for people to know world far better then how they react towards the world. It can't be mentioned constantly that reading practice only for the geeky person but for all of you who wants to possibly be success person. So , for every you who want to start reading as your good habit, you are able to pick *The Way of Torah: An Introduction to Judaism (Religious Life in History Series)* become your own personal starter.

Latricia Wynkoop:

Your reading sixth sense will not betray anyone, why because this *The Way of Torah: An Introduction to Judaism (Religious Life in History Series)* e-book written by well-known writer who knows well how to make book that could be understand by anyone who also read the book. Written with good manner for you, still dripping wet every ideas and writing skill only for eliminate your personal hunger then you still doubt *The Way of Torah: An Introduction to Judaism (Religious Life in History Series)* as good book not just by the cover but also by the content. This is one book that can break don't assess book by its deal with, so do you still needing yet another sixth sense to pick this kind of!? Oh come on your looking at sixth sense already told you so why you have to listening to another sixth sense.

Chelsie Salls:

As a college student exactly feel bored in order to reading. If their teacher questioned them to go to the library as well as to make summary for some reserve, they are complained. Just tiny students that has reading's spirit or real their hobby. They just do what the educator want, like asked to go to the library. They go to generally there but nothing reading critically. Any students feel that studying is not important, boring as well as can't see colorful photos on there. Yeah, it is to become complicated. Book is very important in your case. As we know that on this period of time, many ways to get whatever we would like. Likewise word

says, ways to reach Chinese's country. So , this The Way of Torah: An Introduction to Judaism (Religious Life in History Series) can make you sense more interested to read.
