**Anne Hooper's Ultimate Sexual Touch (The Ultimate)** By Anne Hooper

Touch is our most fundamental sense and the one that has the most profound influence on our well-being. Touch is the most likely of our senses to be neglected, especially in Anglo-Saxon culture such as in the UK, the USA, and Australia. In these cultures, sensuality is usually equated with sexuality, so touch is frequently taboo in all but the most intimate of situations. In this book, Anne Hooper, reveals how we can use the power of touch to enhance our sensuality. This in turn can increase our potential for pleasure, particularly within the sphere of sexual interaction. The book also explains how touch techniques can help us to minimize the trauma of major life-changes, such as puberty and pregnancy and how getting in touch with our sensual feelings can enable us to lead a more fulfilling life.
