Circle of Three #1: So Mote It Be By Isobel Bird

Special feature: This PerfectBound e-book contains Part One of an interview with author Isobel Bird.

With this ribbon I do bind
My heart to yours and yours to mine.
Love, I call you, come to me,
As is my will, so mote it be.

Kate cast the love spell with results unforeseen. She cannot stop it by herself, but the book of spells tells her of two strangers who can help her -- if only she can find them.

Editorial Review

Amazon.com Review

Are magical powers real? Can you use them to get good grades or a date with the cutest guy at school? Sophomore Kate Morgan isn't sure, but she's willing to find out. After bringing home some books on the Salem witch trials for a research project, Kate discovers a volume she doesn't remember checking out--*Spells and Charms for the Modern Witch*. Intrigued, she thinks she has found a quick fix for her Valentine's Day datelessness. But after hastily casting a love spell, Kate realizes she has set a universal force in motion that not only nets her intended hottie, but every guy at school. Suddenly all the boys at Beecher Falls High have a crush on Kate. Desperate to end the curse that makes all guys love her--and consequently, all girls hate her--Kate finds a way to uncover other wannabe teen witches. But shy scholar Annie Crandall and raging riot grrrl Cooper Rivers aren't sure that they want to be a part of Kate's case of bad karma. Unless she can convince them to join her, Kate may be doomed to suffer from uncontrollable popularity forever!

Due to teenagers' unending fascination with witchcraft, *So Mote It Be* will undoubtedly be as well loved among adolescent Wicca fans as Silver Ravenwolf's *Witches' Night Out* and Cate Tiernan's Sweep series. Isobel Bird infuses her text with real Wiccan lore, authentic teen emotions, and an ending that leaves readers wanting more--all in all, an unbeatable combination. (Ages 12 and older) --*Jennifer Hubert*

From School Library Journal

Gr 6 Up--In *Mote*, Kate is an Everyteen who struggles between wanting to be a part of the crowd and marching to her own drummer. Researching the topic of witchcraft in the 16th century for her history paper, she stumbles on a modern book of spells. Because she's been mooning over a boy, she tries to cast the "Come to Me Love" spell. When the results do not play out as she planned, she forms a tentative friendship with two other girls who had also checked out the book: Annie, a bookish, quiet girl, and Cooper, a fearless rebel and loner. As these three come together, Kate begins her real journey toward self-realization, which takes her farther away from popularity. Merry Meet has the trio growing closer and discovering witchcraft as a viable religion. Once again, Kate leads readers slowly along with her and her friends into the world of Wicca. This series is not unlike Silver Ravenwolf's "Witches Chillers" (Llewellyn), but Bird's titles are perhaps a bit more pedestrian. Hers are for burgeoning witches, while Ravenwolf's series is for intermediates. The pace of the stories moves well and characters ring true to life. Bird has had many years of involvement in witchcraft and paganism, and her representation here will whet the appetites of teens interested in the subject. Readers looking for a quick read with a supernatural tone will surely enjoy these books.

From the Author

I'm very pleased to be able to write the CIRCLE OF THREE books, and I hope you will all come along for the journey as Cooper, Annie, and Kate find out what being a part of REAL Wicca is all about. Remember--there is magic in every one of us. Join the circle and find out what YOUR magic is.

Users Review

From reader reviews:

Francis Mason:

Book is to be different for each grade. Book for children until finally adult are different content. To be sure that book is very important for people.
