Firstlife (An Everlife Novel) By Gena Showalter

"Utterly unique and absolutely riveting—I couldn't put it down! What a marvelously cool world."—*New York Times* bestselling author Sarah J. Maas
From the author of the *New York Times* bestselling *White Rabbit Chronicles* series comes book 1 of a brand new series in which life as we know it is merely a dress rehearsal, and real life begins after death.

Tenley "Ten" Lockwood is an average seventeen-year-old girl...who has spent the past thirteen months locked inside the Prynne Asylum. The reason? Not her obsession with numbers, but her refusal to let her parents choose where she'll live—after she dies.

There is an eternal truth most of the world has come to accept: Firstlife is merely a dress rehearsal, and real life begins after death.

In the Everlife, two realms are in power: Troika and Myriad, longtime enemies and deadly rivals. Both will do anything to recruit Ten, including sending their top Laborers to lure her to their side. Soon, Ten finds herself on the run, caught in a wild tug-of-war between the two realms who will do anything to win the right to her soul. Who can she trust? And what if the realm she's drawn to isn't where the boy she's falling for lives? She just has to stay alive long enough to make a decision...

Editorial Review

From School Library Journal

Gr 9 Up—A creative mash-up of dystopian science fiction and otherworldly fantasy. In Tenley "Ten" Lockwood's world, everyone has a First Life, which sets the stage for a Second Life after their first death. There are two main realms one can go to during Second Life: Myriad, a place of indulgence and bliss; or Troika, a place of structure and justice. The divisive factions bring to mind the Peloponnesian War, in which the immoderate Athenians clash with the battle-hardened Spartans. Similarly, Myriad and Troika engage in an epic melee for the souls currently in their First Life. Those who do not choose sides, the Unsigned, are trapped in the Many Ends, a place of constant pain and punishment. Ten currently resides in Prynne Asylum, retained there by her parents since she refuses to choose sides. Friends-turned-foes and recruiters for the Second Lives Killian (Myriad) and Archer (Troika) both come back to the First Life to recruit Ten. Ten is a precious commodity because she is the fusion of multiple spirits and therefore very powerful. As the inmates escape the asylum, Ten undergoes numerous trials and tribulations. Still, she refuses to sign with a specific side. When Ten finally, and unexpectedly, meets with her first death, she ends up in the place she least expects. While the contentious sides of the underworld are interesting, too many convoluted details bog down the narrative. VERDICT An additional purchase for larger YA collections.—Amanda C.
