Holy Sex: The Way God Intended It By Michael Pearl

God created his children as sexual opposites, and designed marriage to be the context of erotic pleasure. While the church has been mostly silent on the subject of sex, the world and the devil have attempted to make it their domain. The church has rightly proclaimed the biblical prohibitions on the misuse of sex, but it has failed to speak out on the godliness of erotic pleasure in the context of marriage. Out of the 66 books composing the Bible, one whole book is dedicated to promoting erotic pleasure—the Song of Solomon. Michael Pearl takes his readers through a refreshing journey of the Biblical texts. This sanctifying look at the most powerful passion God ever created will free the reader from false guilt and inhibition. Michael Pearl says, “It is time for Christian couples to take back this sacred ground and enjoy the holy gift of sexual pleasure.” This material is intended for mature audiences. Don’t read this book unless you are married, have definite plans to be married in the next few weeks, or are an older teenager whose parents have first read it and approve of you doing so. If you don’t think God meant for sex to be fun, this book is definitely for you!

Review

People always said the the Song of Soloman was about sex, love making. I had tried to read it to find out how, but never understood it. Mr. Pearl did an excellent job in breaking down the scripture and providing the necessary vocabulary to help readers understand what this book was about. Learning to love your spouse as God intended. Wonderfully written as is all of his work. Thanks. --Amazon Verified Purchaser

This has made being intimate with my husband a million times better..and I didn't think that was possible! --Amazon Verified Purchaser

Well written. Biblical views on marriage. If you don't believe that the Bible is the Holy Word of God, then you won't like this book. If you do believe in the Bible, then there will be many reminders and encouragements for your marriage! --Amazon Verified Purchaser
