Insurrection By Robyn Young

1286 A.D. Scotland is in the grip of the worst winter in living memory. Some say the Day of Judgement has arrived. The King of Scotland rides out from Edinburgh into the stormy night. On the road he is murdered by one of his own men, leaving the succession to the throne wide open. Civil war threatens as the powerful Scottish families jostle for power, not knowing that King Edward I of England has set his own plans for conquest in motion. But all is not destined to go Edward's way. Through the ashes of war, through blood feuds and divided loyalties, a young squire will rise to defy England's greatest king. His name is Robert Bruce. Insurrection is the first in an addictive and action-packed trilogy in the tradition of Conn Iggulden, Bernard Cornwell and Manda Scott.

Editorial Review

Review

Immaculately researched and carefully written, evoking a very particular - and largely unexplored - time and place. The fights are sensational. Daily Telegraph Young's fans will not be disappointed as she meticulously ploughs through the sweep of history and brings to life one of its most enigmatic characters Daily Mail It is so graphic you can immediately put yourself there, imagining the faces and the clash of weapons. It also elaborates on the historical context and fleshes out the characters. It draws you in and is a compelling novel you cannot put down. So much research must have gone into the book; the detail is incredible. I enjoyed it so much. The BBC Radio 2 Simon Mayo Book Club Richly worked and captivating ... an epic story of war, intrigue and heroism Good Book Guide on BRETHREN The fast and furious start to a majestic new trilogy Women and Home Leads you in swiftly and doesn't let you go Australian Women's Weekly This tale captures the struggles of a tumultuous time Australian Daily Telegraph another fine novel by Young and a promising start to an exciting new series Canberra Times This is a big book, and the trilogy a huge project to undertake. From the evidence so far, Young's fans will not be disappointed as she meticulously ploughs through the sweep of history and brings to life one of its most enigmatic characters Daily Mail Action-packed historical novel about Robert The Bruce. A fighting start to a new trilogy. Sun Ideal for anyone who loves historical fiction and anyone else who wants a well written and intricate read Sentinel (Staffordshire) A cracking plot and charismatic characters are set against the convincingly researched background of the violent, gory Anglo-Scottish civil wars Saga Given the events are fixed in historical fiction, the trick is to find supplementary reasons for actions, and Young's conceit - that Edward I is trying to capture four relics (one of which is the Stone of Destiny) - gives a great ulterior motivation. The learning is never cumbersome, a deft trick when describing medieval warfare in all its clunking barbarism. Scotsman Young writes with remarkable accuracy, action-packed efficiency and gut-wrenching violence The Times on REQUIEM An outstanding contemporary writer Kate Mosse on Robyn Young A sweeping historical adventure as well as a cracking sequel Financial Times on CRUSADE One of the best historical debuts in recent memory. Exciting and enthralling. John Connolly on BRETHREN Wonderful ... loaded with atmosphere, action, and intrigue Steve Berry on BRETHREN Like Young's other historical novels, INSURRECTION is meticulously researched ... a treat for any fans of the Scottish Wars of Independence. About the Author

Robyn Young was born in Oxford and grew up in the Midlands and Devon. She has a Masters in Creative Writing from the University of Sussex and lives and writes in Brighton full-time. Her first novel, BRETHREN, was the bestselling hardback debut novel of 2006, with the paperback also going straight into the top ten bestseller list. Two more bestsellers followed, CRUSADE and REQUIEM, completing the Brethren trilogy, which has now sold over a million copies and been translated into nineteen languages. The inspiration for Robyn's new trilogy, which began with INSURRECTION and continues in RENEGADE, grew out of an earlier research trip to Scotland. Robyn explains: 'Day by day, out of the pages of history and the wild landscape, one figure came striding, larger, clearer than all the others - Robert the Bruce. He swept me off my feet and carried me into a story of bitter family feuds, two civil wars and the struggle for the crown. I realised there was no way this character could play a cameo role in another man's story. His tale was too powerful, too intricate and too good to be cut down and boxed to fit.' Barbara Spangler:

Reading a guide tends to be new life style in this era globalization. With examining you can get a lot of information that may give you benefit in your life. Having book everyone in this world could share their idea. Books can also inspire a lot of people. A great deal of author can inspire their own reader with their story or their experience. Not only the story that share in the publications. But also they write about the information about something that you need example. How to get the good score toefl, or how to teach your young ones, there are many kinds of book that exist now. The authors in this world always try to improve their talent in writing, they also doing some investigation before they write on their book. One of them is this Insurrection.

Gabriel Cleveland:

Reading can called mind hangout, why? Because if you find yourself reading a book mainly book entitled Insurrection your mind will drift away trough every dimension, wandering in every single aspect that maybe unfamiliar for but surely will end up your mind friends. Imaging each and every word written in a book then become one type conclusion and explanation that maybe you never get ahead of. The Insurrection giving you one more experience more than blown away the mind but also giving you useful information for your better life on this era. So now let us show you the relaxing pattern here is your body and mind will likely be pleased when you are finished studying it, like winning a casino game. Do you want to try this extraordinary spending spare time activity?

Carlos Pollard:

Many people spending their time period by playing outside using friends, fun activity having family or just watching TV the entire day. You can have new activity to spend your whole day by looking at a book. Ugh, ya think reading a book can really hard because you have to use the book everywhere? It fine you can have the e-book, taking everywhere you want in your Cell phone. Like Insurrection which is getting the e-book version. So , why not try out this book? Let's view.

Donna Canales:

As a university student exactly feel bored to be able to reading. If their teacher expected them to go to the library or make summary for some book, they are complained. Just little students that has reading's heart or real their passion. They just do what the trainer want, like asked to go to the library. They go to there but nothing reading very seriously. Any students feel that examining is not important, boring and also can't see colorful photographs on there. Yeah, it is to get complicated. Book is very important to suit your needs. As we know that on this period, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. So , this Insurrection can make you feel more interested to read.
