NCCT Official Review Book, National Certified Medical Assistant / Official Practice Test (2 Vols) By National Center for Competency Testing

Practice tests are a great way to prepare you for the certification exam. This 75-question test provides questions that come from the same question banks that were used to develop the Medical Assistant review book and the national certification examination. Although this practice test is designed to be similar in content, level and format as the certification test it does not include exact questions from the exam.
