Wiring Complete: Expert Advice from Start to Finish (Taunton's Complete)

By Michael Litchfield, Michael McAlister

'The clearest, most intelligible, most up-to-date, step-by-step instructions of how to wire most household electrical jobs.'

- KK. Org (Cool Tools)

The title says it all! Wiring Complete, 2nd Edition, covers everything homeowners need to know about practically any wiring scenario imaginable, from simple switches to outdoor lighting.

Updated to the latest code. Co-authored by two well-known experts in the field, this second edition of the original best seller has been updated to the latest electrical code (NEC, 2011). And there's more detailed coverage of today's hot topics, including:

- expanded sections on receptacles, switches, and lighting
- the latest information on remote thermostats
- details on the changing world of multimedia wiring

Unique, do-it-yourself approach. What separates *Wiring Complete* from other guides is its straightforward approach and accessible design that allows you to:

- quickly look up a project
- gather all the information on how to tackle it
- easily access advice from a licensed electrician and
- identify what to do should something go wrong

Reliable information and how-to instructions. With 825 photos and 50 illustrations, *Wiring Complete* provides highly visual instruction on wiring projects that homeowners want to do themselves, such as: switches and receptacles, wall sconces, phone jacks, fans, kitchen appliances, and more.

A must-have for every home. Much more than a how-to reference, *Wiring Complete* is like having your own personal electrician on call, 24/7.
